Six Habits of Highly Effective Talent Managers: Webinar

Keith Stopforth, a former Head of Learning and Talent at BUPA will be conducting a webinar illustrating how Talent Management can be effectively implemented into businesses.

Talent Management is the current hot topic within the HR industry as companies seek to recruit, retain and improve the best people for a particular role. With so much information about this topic available online it can become confusing when trying to implement an appropriate strategy within your business.

Webanywhere are providing a free webinar to explain how Talent Management can be improved within a company. It will be conducted by Keith Stopforth, a former Head of Learning and Talent at BUPA.

From the wealth of experience he has attained over the years, Keith will be demonstrating the most effective and efficient ways in which talent can be managed. He will also touch on several points over the course of the webinar, including talent mapping, how the culture of the organisation is critical to this style of management and how to get the Senior Team on board. [Six Habits of Highly Effective Talent Managers](#) webinar is free and will be conducted online on 29th November 2012 at 3pm GMT, lasting roughly 30-45 minutes. [Registration](#) is now open.
